 1845 mm WIDTH AT BASE  
 140 mm DEPTH AT TOP x 80 mm DEPTH AT BASE

**ADP9 (Flat Backed)** Col Vic  
 500 mm x up to 1580 mm  
 1355 mm WIDTH AT BASE  
 140 mm DEPTH AT TOP x 80 mm DEPTH AT BASE

## What is a pediment?

Pediments are usually placed above door openings and used with pilasters to create a grand opening. Some pediments can be made of fibreglass or lightweight resin for exterior use. POA
